Re: “See Something, Hear Something, Say Something” - Reminder

Good morning,

As you may have read by now, a local Ontario Christian High School student was arrested last night after having a plan of attack thwarted by a fellow student who “saw something, and said something.” The tipster is, no doubt, a hero. And those who acted on the tip, saved lives. This is a reminder that if you *See Something, Hear Something... Say Something*.

Corona Norco Unified School District places the safety and security of its students and staff at the highest priority. Safety is everyone’s responsibility. While we have a multitude of tools in place to prevent a tragedy, the eyes and ears of our staff and students are our greatest resource. *We take tips seriously.*

We ask that you review the following 2 minute video with your staff and students:

 Threats, real or fake, carry serious consequences. (<https://youtu.be/q0HCQZ2V8VE>).

Additional information regarding the safety and security of our district can be found on our District’s website under the Safety and Security tab: [CNUSD- Safety and Security](#).

Lastly, CNUSD has a Safety tip line for students:
